1. PARTICIPATION CONDITIONS

XVI Ultra Trail Serra da Freitas is a Trail Running event.

It will take place in Serra da Freitas. The athlete will venture along some of the most beautiful trails of Arouca, Vale de Cambra and S. Pedro do Sul.

1.1 Age limit for participation for the races

- **UTSF100K; USF65K; TSF29K** – older than 18 years
- **MTSF15K** – older than 15 years

1.2. Regulated registration

Registration on the XVI Ultra-Trail Serra da Freitas assumes full acceptance of the herein established rules.

1.3. Physical conditions

To participate it is indispensable:

- To be aware of the race's distances and difficulties thru trails and its elevation, and still be physically and mentally prepared.
- To have acquired, before the event, a mountain autonomy capacity that allows the management of problems that derive from this type of event, namely:
 - To be able to face adverse environmental and climatic conditions (wind, cold, fog and rain) without external help.
 - Know how to manage physical or mental problems resulting from extreme fatigue, digestive problems, muscle and joint pain, minor injuries, etc.
- Not to be accompanied by elements/athletes not enrolled in the race.
- Follow the DGS (Portuguese National Health Department) rules in force on the date of the event.
- Take all the mandatory material during the race.
- Place your garbage in the proper places, located in the supply points/PAC's.

1.4 External help

Support from the escorts or team members will be allowed at the supply posts/PAC's and may never interfere with the other athletes in the competition.

The supporters/escorts will not have access to the food supplies in the supply points/PAC's, that are for exclusive use of the athletes, these will only be handled by the staff members present.

1.5. Bib number placement

The **bib number is personal and non-transferable** and should be used in front of the body in a very visible way.

In case of withdrawal, disqualification or time bar the athlete is **obliged** to hand his bib number to the organization and can be requested to do so at the finish line.

In case of withdrawal it is **obligatory to communicate** the abandonment to the organization or its staff members on penalty of not participating in future editions.

Concealment of the bib number may give the right to a penalty.

1.6. Sports conduct rules

Inappropriate behaviour, such as the use of offensive language, verbal or physical aggression, as well as leaving trash on the trails and tracks will not be tolerated and will lead to disqualification.

1.7 Communication / contact with the organization

- Any contact with the organization should be made through this following email: **confrariatrotamontestrail@gmail.com**
- The organization will not be responsible for not responding to any other form of contact, namely: other organization's members emails, Facebook or other social network messages.

2. EVENT

2.1 Event Presentation / Organization

Confraria Trotamontes in partnership with the City Council of Arouca will hold the Ultra Trail Serra da Freita 16th edition, to be held on **24, 25 and 26 June 2022** in Arouca.

This edition is incorporated in the **ATRP Ultra Endurance Trail Circuit**.

The event will comply with the current DGS (Portuguese National Health Department) rules.

The **XVI Edition** of the Ultra Trail Serra da Freita will consist on four races:

- **ELITE TRAIL SERRA DA FREITA 100KM - ETSF100**
- **ULTRA TRAIL SERRA DA FREITA 65KM - UTSF65**
- **TRAIL SERRA DA FREITA 29KM – TSF29**
- **MINI-TRAIL SERRA DA FREITA 15KM – MTSF15**

Parallel to the event there will be:

- **ExpoTrail** da Freita - a sports material exhibition.

The **XVI edição** of the UTSF has as co-organizers the municipality of Arouca and counts with the support of the Arouca Volunteer Firefighters, Escola de Montanha, Candal Party Commission and the Parish Council of Cabreiros and Albergaria da Serra.

- **All races start and finish at the Arouca Secondary School**, located on Avenida 25 de Abril. The races will take place on the **25th of June 2022**.
- **The event will comply with the current DGS (Portuguese National Health Department) rules.**
- The Elite Trail Serra da Freita 100 km and the Ultra Trail Serra da Freita 65km races, both start at **6:00** am on June 25 with a duration of 29 hours (ending June 26 at 11:00 am).
- Both run along paths and tracks of Serra da Freita.
- The **ETSF100** race has a competitive character with an approximate distance of 100 km and 6600 metres of positive climb/elevation.
- The **UTSF65** race has a competitive character with an approximate distance of 65 km and with 3500 metres of positive climb/elevation.
- The **TSF29** starts at **8:00** am on June 25, 2022 and has a competitive character with an approximate distance of 29 km and with 1300 metres of positive climb/elevation.
- The **MTSF15** starts at **9:00** am on June 25, 2022.
- The participants must be prepared in advance, properly equipped and able to participate in the race. There will be a control for the Elite Trail 100km, Ultra Trail 65km, Trail 29km and Mini-Trail 15km which will open 30 minutes before each race and end 10 minutes before the start..
- The organization will not stall the starts due to athlete delays.
- 10 minutes after the start of the race, the organization and its staff members will begin the withdrawal of the races marking tapes.
- **ITRA scoring/qualifying event**

8h30 – PC 0 – Mini-Trail 15k

9h00 – Start – Mini-Trail 15k

Sunday 26 of June:

11h00 – Closing / Finish ETSF100 and UTSF65

11h30 – Event closure

2.3. Distance / Altimeter / ATRP Difficulty Categorization

Note: *These data can be rectified up to one month before the event.*

RACE	DISTANCE	D+	D-	MAX. TIME	CATEGORY	DIFICULTY
ETSF100	100km	6600	6600	29h	TU L	3
UTSF65	65km	3600	3600	29h	TU M	3
TSF29	29km	1300	1300	9h	TL	3
MTST15	15km	700	700	5h		3

2.4 Map / Elevation profile / Track description

The tracks of the Ultra Trail Serra da Freita are composed of paths, trails, rivers, forest trails, secondary and main road roads, etc.

The participants must take the utmost attention when running on public roads, they will have to do so on the edges, taking the utmost care with the vehicles that circulate in them.

The participants must pay the maximum attention on the crossing of public roads.

The routes will be marked with ORANGE marking tape and plaques.

2.5. Time limits

RACE	CABREIROS	COVELO DE PAIVÔ	PORTAL DO INFERNO	PÓVOA DAS LEIRAS	LOMBA	FINISH LINE
ETSF100	6h	10h	15h	18h	24h	29h
UTSF65	6h	—	—	—	24h	29h
TSF29	—	—	—	—	—	9h
MTST15	—	—	—	—	—	5h

To continue the race, athletes must leave the several checkpoints before the closing/time baring. Otherwise, the baring will be made.

If the athlete decides to continue on the race is in his entirely responsibility, and in this way, he will have to hand the chip and bib number to the organization or staff members.

We warn/alert to the possibility of no longer finding signs, marking tapes when and after organization and its staff members lift the marking tapes as they pass.

2.6. Time control methodology

In all races an electronic chip-time control system will be used.

Every checkpoints will have an electronic rug or other device that will record the athletes passing.

2.7. Checkpoints

Along the track there will be several checkpoints. In some cases, the athletes will have to stop so their passage can be registered.

The athletes must respect the order of arrival to the checkpoint, the bib number must be visible and placed in front of the body.

The race will be in an open-road system, the athletes will have to follow the road rules/code and has to be responsible on the road passing.

The organization reserves the right to change in any way the track, the position of the checkpoints or supply points/PAC's, without prior notice.

2.8. Supply points / PAC's Locations and procedures

Supplies (food and beverages) can only be handled by staff members, the athletes must request what they want.

The support/team members (1 per athlete) will have to provide support outside the supply points/PAC.

Glasses, plates, bowls or cutlery will not be provided with supplies. In order to protect the environment, we will not provide disposable utensils.

According to the measures in force, on the date of the event, participants may have to adopt other measures imposed by the DGS (Portuguese National Health Department).

Pollutive conduct	Disqualification / Inhibition to participate the in the following year
Unsportsmanlike conduct (insults, aggression, etc.)	Disqualification / Inhibition to participate the in the following year
Remove race marking	Disqualification / Inhibition to participate the in the following year

2.13. Responsibilities to the athlete/participant

- The participant assumes, in his own free will, the risks and the consequences arising from the participation in the event, may they be moral, physical or material damages or of any nature. The organization, as well as any of those involved in organizing the event, are exempt from liability.
- Enrolment in the race will require full acceptance of this Regulation.

2.14. Medical assistance

In case the athlete considers that he needs medical assistance, he must proceed as follows:

- Request for support at the supply point/PAC;
- Request assistance from organization or staff members;
- Call the emergency phone numbers on the bib number;
- Call 112 (in this case the participant will be responsible for the expenses that the medical and transportation acts entail);

All Supply points/PAC's have a first aid kit, there will be nurses strategically distributed in the supply points/PAC's throughout the course.

2.15. Sports insurance

The organization contracts compulsory insurance, according to Decree-Law no. 10/2009 of January 12, for this type of race, and its premium is included in the registration fee. The payment of the insurance deductible, in the event of an accident, is the athlete's sole responsibility.

The organization will not assume claims expenses, which it did not know in a timely manner to activate the insurance (24 hours after the end of the race).

3. REGISTRATIONS

3.1. Registration process (location, web page, payment method)

You can sign up through the specific form that is available in: [StopandGo](#) and get more information in Confraria Trotamontes webpage.

Any question regarding the registrations, the athletes should contact through the following email: confrariatrotamontestrail@gmail.com or to this phone number: +351 961732542

From December 1, 2021 until June 15, 2022, all athletes who wish to participate can register if they accept the general terms of the regulation.

The closing of registrations can be brought forward in time if the limit of registrations is reached.

The proof of payment may be requested when lifting the bib number.

After registering, information will be sent about the various payment methods.

Elite Trail 100km

December 1, 2021 to January 31, 2022 - 80 euros

February 1, 2022 to May 31, 2022 - 85 euros

M/F 3 + 60 years		X	X	X	X

5. GENERAL INFORMATION

- **How to get to the event:** Geographical coordinates (GPS): 40.92899,-8.251472

6. IMAGE AND ADVERTISING RIGHTS

The organizer reserves the exclusive right to exploit the image of the Ultra Trail Serra da Freita event, as all the photographic and journalistic audio-visuals from the event. Any advertising project or media produced for publication must obtain the prior consent of the organization.

Acceptance of this regulation requires, obligatorily, that the participant authorizes the use of his / her image for the diffusion of the event in all its forms of communication (radio, print, video, photograph, posters, media, etc.) and that these may be used in a timeless manner in any advertising action, with the sole purpose of promoting and publicizing the event.

Also grants all rights to the commercial and advertising exploitation that it seems appropriate to perform, without the right of the athlete to receive any financial compensation.

7. DATA PROTECTION

By formalizing their registration, every participant authorizes the publication of their personal data, necessary for the conduct of the event either in the official lists, in the media and / or the internet, as well as their use for sending information regarding the event, including future editions.

Also authorizes that the collected images (photography or video) to be used in a timeless manner in any advertising action, with the sole purpose of promoting and publicizing the event.

Each participant is responsible for the veracity of the data provided in their registration, and is aware that these will be part of a file, of which Confraria Trotamontes will be responsible. The holder of the data will have right of access, rectification and cancellation as determined by Organic Law 15/1999 of December 13, Personal Data Protection Law.

8. TERM OF RESPONSIBILITY

When collecting the Athlete Kit, each participant will be asked for a Term of Responsibility, signed by the athlete, in which they will assume the following:

- That have read and accepted the present regulation of the event;
- That have the physical and psychological condition to participate in this type of event;
- That will adopt a socially responsible behavior, complying in an exemplary manner with the general measures issued by the DGS, during the race; these measures are in force on the date of the event.

9. MODIFICATIONS

These rules may be edited, changed or improved at any time by the organizer without prior notice. The fact that you sign up implies acceptance of this Regulation.

10. CANCELLATION

The organization may delay the event for a maximum of two hours, after which it can cancel the event, whenever it considers that there are no safety conditions for the athletes.

The event can also be canceled as long as it is decreed by civil protection, DGS or any other higher authority.

In case of cancellation there will be no refund of the registration fee.

11. MISSING CASES

The cases not covered by this regulation will be resolved by the organization, whose decision may not be appealed.

The organization reserves the right to modify this regulation until the date of the event.

12. OTHER

The organization shall decide on all matters relating to the event which have not been subject to regulation or to misinterpretation of this Regulation.

Arouca, November 9, 2021
